Intended Outcome

There is demarcation of responsibilities between the board, board committees and management.

There is clarity in the authority of the board, its committees and individual directors.

Practice 2.1

The board has a board charter which is periodically reviewed and published on the company's website. The board charter clearly identifies:

- the respective roles and responsibilities of the board, board committees, individual directors and management; and
- issues and decisions reserved for the board.

Application :	Applied
Explanation on application of the practice :	<p>Since February 2013, the Board has established a Board Charter which sets out the composition, principal roles and responsibilities of the Board, its various Board Committees, individual directors and Management.</p> <p>The Board Charter also outlines the processes and procedures for the Board and its Committees to be effective and efficient.</p> <p>The Board Charter was last reviewed by the Nomination Committee in November 2020 to ensure it remains relevant and consistent with the Board's objectives and responsibilities, and all relevant standards of corporate governance.</p> <p>The Board Charter affirms to the stakeholders that the Board has in place a formal schedule of matters reserved specifically for its decision as set out in the Authority Chart which is approved and periodically reviewed by the Board.</p> <p>The Authority Chart guides the Management, headed by the Executive Directors, in the day-to-day running of the Group's business.</p> <p>The Authority Chart also sets out specific matters that require the approval of the Board namely, corporate and business continuity plans, annual budgets, acquisitions and disposal of assets that are material to the Group, major investments, changes to management and control structure of the Group, including key policies and procedures.</p> <p>The Authority Chart spells out the approving limits and the types of authority delegated by the Board to Senior Management who is responsible for the implementation of Board's policies and decisions. The Authority Chart is periodically reviewed and updated to reflect the changes in the business, operational and organisational environment.</p> <p>The Management establishes targets and milestones which are presented to and approved by the Board. These targets and milestones are monitored and reviewed regularly and</p>

	<p>responsibilities re-aligned when necessary to ensure the Group's needs are consistently met.</p> <p>The Board also maintains specific Board committees with clear responsibilities and terms of reference to assist the Board in carrying out its stewardship role and function, and fulfilling its fiduciary duties and responsibilities.</p> <p>The Board did not appoint a Senior Independent Director ("SID") as recommended by Guidance 2.1. The Board is of the view that the SID's roles, as an intermediary for other directors when necessary and as the point of contact for stakeholders, can be undertaken by the Chairman of the Board. Any one of the existing Independent Directors can also act as a sounding board for the Chairman.</p> <p>Thus, in the Board Charter, it was stated that the Board has identified the Chairman of the Board as the main contact person to whom any shareholders' concerns may be conveyed. The current Chairman is a Non-Independent Non-Executive Chairman.</p> <p>The Board Charter is available on the Company's website at www.magnum.my.</p>

The board is committed to promoting good business conduct and maintaining a healthy corporate culture that engenders integrity, transparency and fairness.

The board, management, employees and other stakeholders are clear on what is considered acceptable behaviour and practice in the company.

Practice 3.1

The board establishes a Code of Conduct and Ethics for the company, and together with management implements its policies and procedures, which include managing conflicts of interest, preventing the abuse of power, corruption, insider trading and money laundering.

The Code of Conduct and Ethics is published on the company's website.

Application	:	Applied
Explanation on application of the practice	:	<p>Since year 2012, the Board had adopted the Directors' Code of Business Conduct and Ethics which serves as a guide for the Board in discharging its oversight role effectively.</p> <p>The Code of Business Conduct and Ethics requires all Directors to observe high ethical business standards, honesty and integrity and to apply these values to all aspects of the Group's business and professional practice and act in good faith in the best interests of the Group and its shareholders at all times. The Nomination Committee had last reviewed this Code in November 2021.</p> <p>The Directors' Code of Business Conduct and Ethics is available on the Company's website at www.magnum.my.</p> <p>In addition to the Directors' Code of Business Conduct and Ethics which is accessible by the public on the Company's website, the Company, since May 2013, has in place a Code of Conduct which sets out the standards on ethical conduct and responsibility for all employees of the Group. The scope of this employees' Code of Conduct includes confidentiality, conflict of interest, gifts and entertainment and, the use of the company's assets.</p> <p>All employees including Management must comply with this employees' Code of Conduct Policy as well as would have signed a non-disclosure agreement upon acceptance of employment. The employees' Code of Conduct Policy is published in the Company's intranet and accessible by all employees of the Group.</p>

The board identifies a designated person within management, to provide dedicated focus to manage sustainability strategically, including the integration of sustainability considerations in the operations of the company.

Note: The explanation on adoption of this practice should include a brief description of the responsibilities of the designated person and actions or measures undertaken pursuant to the role in the financial year.

Application	:	Adopted
Explanation on adoption of the practice	:	<p>Since year 2017, a Sustainability Committee, led by a Sustainability Officer with members consisting of managers from various departments had been set-up to oversee the Group's sustainability initiatives and disclosures.</p> <p>This Sustainability Committee will report directly to the Management Risk Committee, which is chaired by the Chief Executive Officer of Magnum Corporation Sdn. Bhd., which in turn reports to the Board's Group Risk Management Committee.</p> <p>The Sustainability Officer during year 2021 was Mr Koh Hon Keat who is also the Head of Computer Operations Department.</p> <p>In March 2022, Ms Aamelia Tarmizi, Magnum Group's CSR Manager, has succeeded Mr Koh as the new Sustainability Officer to manage the integration of sustainability considerations in the Group's operations.</p>

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.1

The Nomination Committee should ensure that the composition of the board is refreshed periodically. The tenure of each director should be reviewed by the Nomination Committee and annual re-election of a director should be contingent on satisfactory evaluation of the director's performance and contribution to the board.

Application :	Applied
Explanation on application of the practice :	<p>The Nomination Committee oversees the overall composition of the Board in terms of the appropriate size, balance between the numbers of Executive, Non-Executive and Independent Directors, and a wide mix of various elements required to be appointed as Directors of the Company in accordance with the Main Market Listing Requirements.</p> <p>The Constitution of the Company provides that all Directors shall retire from office at least once every three years and that at every Annual General Meeting, at least one-third of the Board for the time being shall retire from office and shall be eligible for re-election. The Constitution further provides that those Directors appointed during the financial year shall retire from office at the next Annual General Meeting and they may offer themselves for re-election.</p> <p>The process of re-election of Directors ensures that shareholders have a regular opportunity to reassess the composition of the Board. The election of each Director is voted on separately by the shareholders at the Annual General Meeting.</p> <p>Retiring Directors who are seeking re-elections are subject to Directors' assessment overseen by the Nomination Committee.</p> <p>Upon the recommendation of the Nomination Committee, the Directors namely, Dato' Lawrence Lim Swee Lin and Mr Krian Upatkoon, will be retiring by rotation at the forthcoming 46th Annual General Meeting and being eligible, they have offered themselves for re-elections.</p>

		<p>The Board of Magnum continues to have a strong mix of experienced individuals as Directors with a majority of them are Non-Executive Directors. The Non-Executive Directors are not employees of the Company and they do not participate in the day-to-day management of the Company. Thus, they remain objective and independent minded when they participated in the deliberations and decision making of the Board. This ensures effective check and balance in the functioning of the Board.</p> <p>Should a director be interested in any transaction to be entered into by the Company, the interested Director will abstain from deliberations and decisions of the Board on the transaction. Hence, the Directors have the ability to exercise their duties and make decisions which are in the best interest of the Company.</p>		
		<p>The Board is of the opinion that there is no issue with regards to the balance of power and authority on the Board as the roles of the Non-Executive Chairman, Executive Directors and Non-Executive Directors are clearly set out, separated and established. The decision-making process of the Board is based on collective decisions without any individual exercising any considerable concentration of power or influence and well balanced by the presence of strong elements of independence with a large majority of Non- Executive Directors in the Board.</p>

Measure	: The Board would take the necessary measures to increase the number of Independent Directors concurrently with increasing the number of women directors on the Board. The Board had in August 2019 appointed one independent female Director. However, due to the Covid-19 pandemic with subsequent economy lockdown and periodically imposed various movement control orders since March 2020, the Nomination Committee has put on hold the recruitment process of other suitable independent female candidates until after the pandemic. Accordingly, the Board had in March 2021 approved the extension of the timeframe for application of Practice 5.2 of the Malaysian Code on Corporate Governance, which expired in year-end 2021, for another 3 years i.e. by year 2024.
Timeframe	: Within 2 years

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.3

The tenure of an independent director does not exceed a cumulative term limit of nine years. Upon completion of the nine years, an independent director may continue to serve on the board as a non-independent director.

If the board intends to retain an independent director beyond nine years, it should provide justification and seek annual shareholders' approval through a two-tier voting process.

Application	:	Applied													
Explanation on application of the practice	:	All Independent Directors, namely Dato' Lim Tiong Chin and Jean Francine Goonting, have served the Board in such capacity for less than nine years. Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.4 - Step Up

The board has a policy which limits the tenure of its independent directors to nine years without further extension.

Note: To qualify for adoption of this Step Up practice, a listed issuer must have a formal policy which limits the tenure of an independent director to nine years without further extension i.e. shareholders' approval to retain the director as an independent director beyond nine years.

Application :	Not Adopted
Explanation on adoption of the practice :	

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.5

Appointment of board and senior management are based on objective criteria, merit and with due regard for diversity in skills, experience, age, cultural background and gender.

Directors appointed should be able to devote the required time to serve the board effectively. The board should consider the existing board positions held by a director, including on boards of non-listed companies. Any appointment that may cast doubt on the integrity and governance of the company should be avoided.

Application	: Applied
Explanation on application of the practice	<p>The Nomination Committee practices a clear and transparent nomination process which involves the following in respect of the appointment of Directors: -</p> <p>Stage 1: Identification of candidates</p> <p>Stage 2: Meeting up with the candidates</p> <p>Stage 3: Evaluation of suitability of candidates</p> <p>Stage 4: Final deliberation by the Nomination Committee</p> <p>Stage 5: Recommendation to the Board</p> <p>The Nomination Committee considers, among others, the following aspects in making the selection of candidates to be appointed as Director:</p> <p>(a) the person must have the key qualities such as honesty and integrity;</p> <p>(b) the person must have the appropriate qualification, training, skills, practical experience and commitment to effectively fulfill the role and responsibilities of the position;</p> <p>(c) the person must manage his debts and financial affairs prudently; and</p> <p>(d) the person must be apolitical.</p> <p>All Board appointments will be based on merit, and candidates will be considered against objective criteria, having due regard for the benefits of diversity on the Board and the overall effectiveness of the Board, taking into account the nature of the industry and the highly regulated environment in which the Group operates. The proposed appointment of a new Director to the Board will be approved by the full Board based on the recommendation of the Nomination Committee.</p>

	<p>Since November 2014, the Board has adopted a Board Diversity Policy which sets out the approach to achieve boardroom diversity. This policy aspires to ensure the mix and profiles of the Board members from a number of aspects including but not limited to gender, age, ethnicity, background, skills, knowledge and length of service.</p> <p>The Board recognises diversity as an important criterion to determine board composition as it provides the necessary range of perspectives, experiences and expertise required to achieve stewardship and management of the Company and the Group.</p> <p>The Group adopts the 'Diversity, Inclusivity and Gender Policy' for its workplace to promote and incorporate diversity as an important criterion in its recruitment exercise.</p> <p>Nonetheless, the Group practises equal opportunity, and all appointments and employments are based on objectives criteria and merits.</p>

Practice 5.6

In identifying candidates for appointment of directors, the board does not solely rely on recommendations from existing board members, management or major shareholders. The board utilises independent sources to identify suitably qualified candidates.

If the selection of candidates was based on recommendations made by existing directors, management or major shareholders, the Nominating Committee should explain why these source(s) suffice and other sources were not used.

Application	:	Applied
Explanation on application of the practice	:	<p>Apart from recommendations by existing Board members, management or major shareholders, the Board through its Nomination Committee would identify potential candidates from various sources including professional bodies as part of its recruitment of directors' exercise.</p> <p>However, the list of candidatures obtained from these external sources are limited due to the nature of the industry and the highly regulated environment in which the Group operates.</p> <p>Hence, the Company had and would continue to directly approach individuals who would have the relevant work experience, competency and knowledge of the Group's businesses.</p> <p>During financial year 2021, no new Directors were appointed to the Board.</p>

Practice 5.7

The board should ensure shareholders have the information they require to make an informed decision on the appointment and reappointment of a director. This includes details of any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect their capacity to bring an independent judgement to bear on issues before the board and to act in the best interests of the listed company as a whole. The board should also provide a statement as to whether it supports the appointment or reappointment of the candidate and the reasons why.

Application	:	Applied
Explanation on application of the practice	:	The Board has provided a statement to support the reappointment of the directors and the reasons in the Company's Notice of 45th Annual General Meeting held on 19 May 2021.

Practice 5.9

The board comprises at least 30% women directors.

Application	:	Departure
Explanation on application of the practice	:	
Explanation for departure	:	<p>The Board recognises that diversity, including the facet of gender, enhances the decision-making capability of the Group by bringing varying perspectives and better reflecting the realities of society.</p> <p>Since August 2019, the Board has one female Director, representing 16.7% to the total number of Board members.</p> <p>Although the Board did not set any target for Board representation in its diversity policy, the Board will continue to take the necessary measures to gradually achieve at least 30% women Directors on the Board in line with the enumeration in the Malaysian Code on Corporate Governance.</p> <p>At present, avenues for inducting women Directors in the Board are rather limited due to the nature of the industry and the highly regulated environment in which the Group operates.</p> <p>Notwithstanding the inherent constraints, the Group has recalibrated its approach in its regard to drive a more holistic sourcing approach. It should also be noted that the Group always practises equal opportunity, and all appointment and employment opportunities are based on objective criteria and merit.</p> <p>On the Management front, the Board's commitment to promote the Group's 'Diversity, Inclusivity and Gender Policy' for the workplace is reflected in the Group's healthy employee gender profile of 48.0% (2020: 50.1%) female to 52.0% (2020: 49.9%) male employees, and the high percentage of female employees at 38.8% (2020: 38.8%) holding supervisory and managerial positions as at 31 December 2021.</p>

Intended Outcome

Stakeholders are able to form an opinion on the overall effectiveness of the board and individual directors.

Practice 6.1

The board should undertake a formal and objective annual evaluation to determine the effectiveness of the board, its committees and each individual director. The board should disclose how the assessment was carried out its outcome, actions taken and how it has or will influence board composition.

For Large Companies, the board engages an independent expert at least every three years, to facilitate objective and candid board evaluation.

<i>Note: For a Large Company to qualify for adoption of this practice, it must undertake annual board evaluation and engage an independent expert at least every three years to facilitate the evaluation.</i>	
Application :	Departure
Explanation on application of the practice :	<p>The Nomination Committee has a formal assessment in place to assess the effectiveness of the Board as a whole, the performance of its committees and the contribution of each Individual Director on an annual basis by way of a set of customised self-assessment questionnaires. The evaluation process is led by the Chairman of the Nomination Committee and supported by the Company Secretaries. All assessments and evaluations carried out by the Nomination Committee are properly documented.</p> <p>In line with Practice 6.1 of the Malaysian Code on Corporate Governance, the Company had engaged an independent expert to facilitate its Board Effectiveness Evaluation ("BEE") exercise in February 2018 for assessment year 2017.</p> <p>Although a 3-year interval has been fixed to engage an independent expert to facilitate its BEE exercise, the Board had in March 2021 agreed with the Nomination Committee's decision to defer this engagement until the end of the Covid-19 pandemic or assessment year 2022, whichever is earlier. This decision was made after having considered the following situations: -</p> <ul style="list-style-type: none">• the ongoing Covid-19 pandemic situation, the various movement control orders and the Standard Operating Procedure (SOP) restrictions imposed by the Government have significantly disrupted the Group's operations and have negatively impacted the Group's financial performance since 2020. Therefore, Management should focus its resources to address the above impacts;• the Company currently do have in place a formal assessment internally to assess the effectiveness of the Board as a whole, the performance of its committees and the contribution of each Individual Director; and

	<ul style="list-style-type: none"> the Board structure or composition and size were the same in the last 3 years with one new female director appointed to the Board since August 2019. <p>For the assessment year under review, the BEE was carried out internally through directors' self-assessment questionnaires, which are tailored-made and premised on qualitative and quantitative criteria. The assessment criteria are benchmarked against good governance practices prescribed by the regulators and best practices as well as the Board's and its Committees' duties and responsibilities set out the Board Charter, the Terms of Reference of each Committee and other internal policy documents.</p> <p>The assessment of the Board is based on specific criteria, covering areas such as board conduct, board processes, board accountability, board governance, succession planning and interaction with Management and Stakeholders.</p> <p>Each Board Committee is assessed based on the extent to which it had discharged its roles and functions set out in its terms of reference and each Committee Member's contribution to interaction, discussion and participation in the Committee's activities.</p> <p>For individual self-assessment, the assessment criteria include integrity, commitment, leadership, knowledge and communication ability.</p> <p>The criteria for assessing the Independent Directors include the relationship between the Independent Director and the Company and his/her involvement in any significant transaction with the Company.</p> <p>Based on the assessments conducted for the financial year 2021, the Nomination Committee is satisfied with the contribution and performance of each individual directors, the Board as a whole and the Board Committees as well as the independence and objective judgements that the Independent Directors have brought to the Board.</p>

Intended Outcome

The level and composition of remuneration of directors and senior management take into account the company's desire to attract and retain the right talent in the board and senior management to drive the company's long-term objectives.

Remuneration policies and decisions are made through a transparent and independent process.

Practice 7.1

The board has remuneration policies and procedures to determine the remuneration of directors and senior management, which takes into account the demands, complexities and performance of the company as well as skills and experience required. The remuneration policies and practices should appropriately reflect the different roles and responsibilities of non-executive directors, executive directors and senior management. The policies and procedures are periodically reviewed and made available on the company's website.

Application	: Applied
Explanation on application of the practice	<p>Since December 2017, the Board had put in place a Remuneration Policy with guides the Group in formulating a fair and competition remuneration needed to attract, retain, motivate and reward its Directors and Senior Management of high quality to manage the businesses of the Magnum Group successfully.</p> <p>The Executive Directors' and Senior Management 's remunerations are linked to the corporate and individual performance. The Executive Directors of the Company who are also employees within the Group are remunerated separately in accordance with their employment contracts.</p> <p>All the Non-Executive Directors, except for a Non-Executive Directors who has waived his entitlements on his own accord, receive a standard fixed fee approved by shareholders at the Annual General Meeting.</p> <p>The directors' fees payable to the Non-Executive Directors are endorsed by the Board based on the recommendation of the Remuneration Committee and are tabled for approval by shareholders at the Annual General Meeting of the Company. Each individual Director abstains from the Board's decision on her/her own remuneration package.</p> <p>The quantum of the fixed fee takes into consideration the Directors' increased fiduciary duties and the level of responsibilities under the relevant regulatory requirements. Additional allowances are also paid to Independent Non-Executive Directors in accordance with the number of meetings attended during the year.</p> <p>This remuneration policy is subject to regular review by the Board through its Remuneration Committee and will be</p>

	<p>amended as appropriate to reflect the current best practices. The Remuneration Committee has last reviewed the policy in November 2019.</p> <p>The Remuneration Policy is available on the Company's website at www.magnum.my.</p>

Intended Outcome

Companies make informed decisions about the level of risk they want to take and implement necessary controls to pursue their objectives.

The board is provided with reasonable assurance that adverse impact arising from a foreseeable future event or situation on the company's objectives is mitigated and managed.

Practice 10.1

The board should establish an effective risk management and internal control framework.

Application	:	Applied
Explanation on application of the practice	:	<p>The Board affirms its overall responsibility for the Group's system of internal control and risk management and for reviewing the adequacy and integrity of the system.</p> <p>The Group Risk Management Committee ("GRMC") assists the Board in overseeing the risk management framework and the Group Audit Committee ("GAC") supports the Board in reviewing and monitoring the effectiveness of the system of internal controls. The system of internal control covers governance, risk management, financial, operational, regulatory and compliance control matters.</p> <p>The Board recognises that risk management is an integral part of the Group's business objectives and is critical for the Group to achieve continued profitability and sustainable growth in shareholders' value. In pursuing these objectives, the Group has in place an enterprise risk management framework ("ERM Framework") to promote effective risk management and enhance the corporate governance assurance process.</p> <p>To further strengthen the risk management of the Group, the responsibility of risk management and control is delegated to the appropriate levels of management within the Group, with the primary responsibility of ensuring the effective functioning of the ERM Framework. Within the framework, the Group has an established and structured process for the identification, assessment, evaluation, monitoring and communication of risks and controls at the departmental and company levels.</p> <p>Every year, there is an audit conducted by external certified WLA Auditor, DNV to assess that we continue to comply with the World Lottery Association Security Control Standard ("WLA-SCS:2016") & International Standards Organisation ("ISO27001:2013"). The scope covers the management, operations and maintenance of the information system assets and information systems of the Group's principal subsidiary, Magnum Corporation Sdn. Bhd. ("MCSB").</p> <p>Internal audits are also conducted by a competent team of personnel to ensure compliance to the WLA-SCS and ISO27001 standards. MCSB consistently attain its re-certification every 3</p>

	years and commits to establish a comprehensive information security management system to ensure its information security risks are managed according to global standards and industry best practices.

Intended Outcome

Companies make informed decisions about the level of risk they want to take and implement necessary controls to pursue their objectives.

The board is provided with reasonable assurance that adverse impact arising from a foreseeable future event or situation on the company's objectives is mitigated and managed.

Practice 10.2

The board should disclose the features of its risk management and internal control framework, and the adequacy and effectiveness of this framework.

Application	: Applied
Explanation on application of the practice	<p>The Board's oversight, review and monitoring of the effectiveness of its risk management and internal controls are supported by the Group Risk Management Committee ("GRMC") and the Group Audit Committee ("GAC").</p> <p>The GRMC provide oversight on risk management matters relating to the activities of the Group to ensure prudent risk management over the Group's business and operations. At its scheduled meetings in 2021, the GRMC had reviewed, appraised and assessed the efficacy of the controls and action plan taken to mitigate, monitor and manage the overall risk exposure of the Group.</p> <p>In year 2021, the adequacy of internal control was reviewed by the GAC in relation to the audits conducted by Group Internal Audit ("GIA") during the year. Audit issues and actions taken by Management to address the issues tabled by GIA were deliberated on during the GAC meetings. Minutes of the GAC meetings which recorded these deliberations were presented to the Board.</p> <p>Internal control and risk-related matters which warranted the attention of the Board were recommended by the GAC and GRMC to the Board for its deliberation and approval, and matters or decisions made within the GAC's and GRMC's purview were escalated to the Board for its notation.</p> <p>In respect of the year ended 31 December 2021, the Board has received assurance from the Executive Directors and the Chief Financial Officer that the Company's internal control and risk management system are operating adequately and effectively, in all material aspects, based on the framework adopted by the Group. No significant areas of concern that might affect the financial, operational, compliance controls and risk management functions of the Group were identified.</p> <p>The Board has disclosed the features of its risk management and internal control framework, and the adequacy and effectiveness of this framework in the Statement on Risk Management and Internal Control which is independently</p>

	verified by the external auditors, in the Company's 2021 Integrated Annual Report.

Practice 10.3 - Step Up

The board establishes a Risk Management Committee, which comprises a majority of independent directors, to oversee the company's risk management framework and policies.

Application :	Adopted
Explanation on adoption of the practice :	<p>The Board had established a Risk Management Committee for the Magnum Group, which comprises a majority of independent directors, to oversee the Group's risk management framework and policies. During the financial year under review, the members of the Group Risk Management Committee were:</p> <ul style="list-style-type: none">• Dato' Lim Tiong Chin (Chairman / Independent Non-Executive Director)• Dato' Lawrence Lim Swee Lin (Member / Non-Independent Executive Director)• Jean Francine Goonting (Member / Independent Non-Executive Director) <p>The principal responsibilities of the Group Risk Management Committee include the review of the adequacy of the Group's risk management policies and framework and ensuring that adequate infrastructure, resources and systems are in place for risk management in the Group.</p> <p>The Group Risk Management Committee held two meetings during the year 2021 with full attendance by its members in office.</p> <p>The Terms of Reference of the Group Risk Management Committee which spell out its authority and duties are available on the Company's website www.magnum.my</p>

Intended Outcome

Companies have an effective governance, risk management and internal control framework and stakeholders are able to assess the effectiveness of such a framework.

Practice 11.1

The Audit Committee should ensure that the internal audit function is effective and able to function independently.

Application	:	Applied
Explanation on application of the practice	:	<p>The internal audit function of the Group is outsourced to MPH Capital Berhad's Group Internal Audit ("GIA") Department, which reports directly to the Group Audit Committee ("GAC"). As guided by the Internal Audit Charter, internal audit must be independent of the activities and processes, which it appraises to ensure it is able to perform its duties in an objective manner and provide impartial advice to the GAC.</p> <p>The internal audit function undertakes an independent assessment on the internal control system of the Group through audit engagements carried out in the financial year and provide assurance to the GAC that no material issue or major deficiency has been noted which would pose a high risk to the overall system of internal control under review.</p> <p>In order to ensure that the responsibilities of the internal audit function were fully discharged, the GAC had reviewed the 2021 Annual Audit Plan, the adequacy of the scope, competency and resources of the internal audit function as well as the performance in undertaking its internal audit function during the financial year under review.</p> <p>During the financial year ended 31 December 2021, internal audit engagements were conducted in accordance with the Internal Audit Charter and 2021 Annual Audit Plan that were reviewed and approved by the GAC. Internal audit reports were deliberated by the GAC at GAC meetings and recommendations were duly acted upon by the Management. Follow-up reviews were conducted and reported to the GAC to ensure that all matters arising from each audit were adequately and promptly addressed by the Management.</p> <p>The summaries of activities of the internal audit function during the financial year are set out in Group Audit Committee Report.</p>

Intended Outcome

Companies have an effective governance, risk management and internal control framework and stakeholders are able to assess the effectiveness of such a framework.

Practice 11.2

The board should disclose–

- whether internal audit personnel are free from any relationships or conflicts of interest, which could impair their objectivity and independence;
- the number of resources in the internal audit department;
- name and qualification of the person responsible for internal audit; and
- whether the internal audit function is carried out in accordance with a recognised framework.

Application	: Applied
Explanation on application of the practice	<p>As guided by the Internal Audit Charter, which was approved by the Group Audit Committee (“GAC”), Group Internal Audit (“GIA”) must be independent of the activities and processes, which it appraises to ensure it is able to perform its duties in an objective manner and provide impartial advice on the GAC. The internal auditors are free from any relationships or conflict of interest or undue influence of others to override professional and business judgment, which could impair their objectivity and independence. The independence of the internal audit function is derived from its direct reporting and unencumbered access to the GAC.</p> <p>The internal audit function is supported by five internal auditors, including the Head of GIA. The Head of GIA, Ms Lim Gaik Leng, is a holder of Bachelor’s Degree in Accounting from the University Putra Malaysia. She is a Chartered Accountant of the Malaysian Institute of Accountants with more than 21 years internal audit experience.</p> <p>Three out of the five internal auditors have successfully completed the ISO/IEC 27001:2013 Lead Auditor Training Course and obtained their Certificate of Achievement in August 2019 whilst the other two internal auditors have successfully completed the ISO/IEC 27001:2013 Information Security Management System Internal Audit Training Course in September 2019.</p> <p>To ensure that the internal audits are effectively performed, GIA recruits and employs suitably qualified staff with the requisite skills and experience. Such staff are also given relevant training and development opportunities to update their technical knowledge and auditing skills.</p> <p>The GIA’s activities are guided by the International Standards for Professional Practice of Internal Auditing set by the Institute of Internal Auditors and incorporated these standards into its audit practices. GAC is satisfied that the internal audit function is adequately resourced to perform its functions, is independent</p>

	and has appropriate standing to perform its functions effectively.

Intended Outcome

There is continuous communication between the company and stakeholders to facilitate mutual understanding of each other's objectives and expectations.

Stakeholders are able to make informed decisions with respect to the business of the company, its policies on governance, the environment and social responsibility.

Practice 12.1

The board ensures there is effective, transparent and regular communication with its stakeholders.

Application	:	Applied
Explanation on application of the practice	:	<p>The Board recognises the importance of timely and equal dissemination of clear, relevant and comprehensive information on major developments of the Group to shareholders and investors, which is carried out by means of various disclosures, press releases and announcements to the stock exchange, taking into consideration the legal and regulatory framework governing the release of material and price-sensitive information.</p> <p>The Group's performance is reported quarterly to the stock exchange and on a yearly basis, the Integrated Annual Report is an important channel used by the Company to provide its shareholders and investors with information on its business, financial performance and other key activities.</p> <p>The Company has, from time to time, held meetings and dialogues with investors and research or investment analysts to convey information regarding the Group's progress, performance and business strategies. Press interviews were also conducted on significant corporate developments to keep the investing community and shareholders updated on any major developments of the business of the Group.</p> <p>In addition, the Group maintains a website at www.magnum.my which is updated from time to time to provide shareholders and members of the public the current information and events relating to the Group.</p>

Practice 12.2

Large companies are encouraged to adopt integrated reporting based on a globally recognised framework.

Application	:	Applied
Explanation on application of the practice	:	Since 2020, the Company had embarked on its preliminary integrated reporting based on the International Integrated Reporting Framework. The Company aims to tell a clear and comprehensive story about itself, its business, strategies as well as how it creates values and share them with all its stakeholders over the near, medium and long term. The Board recognises that integrated reporting is a journey which requires cross functional effort and will continue to gradually enhance the quality of information in the disclosures to its stakeholders.

Practice 13.3

Listed companies should leverage technology to facilitate–

- voting including voting in absentia; and
- remote shareholders' participation at general meetings.

Listed companies should also take the necessary steps to ensure good cyber hygiene practices are in place including data privacy and security to prevent cyber threats.

Application :	Applied	
Explanation on application of the practice :		
Explanation for departure :	In view of the movement control order (MCO) implemented by the Government to contain the spread of Covid-19 and the guidelines issued by Securities Commission Malaysia in relation to the conduct of general meetings by listed issuers, the 46th Annual General Meeting ("AGM") of the Company held on 19 May 2021 was conducted virtually via Remote Participation and Voting ("RPV") facilities from the Broadcast Venue at the Meeting Room at 35th Floor, Menara Multi-Purpose, Capital Square, No. 8 Jalan Munshi Abdullah, 50100 Kuala Lumpur. The RPV facilities had enable shareholders to attend, participate, pose questions (via real time submission of typed text) and vote remotely without physically attending the meeting.

Intended Outcome

Shareholders are able to participate, engage the board and senior management effectively and make informed voting decisions at General Meetings.

Practice 13.4

The Chairman of the board should ensure that general meetings support meaningful engagement between the board, senior management and shareholders. The engagement should be interactive and include robust discussion on among others the company's financial and non-financial performance as well as the company's long-term strategies. Shareholders should also be provided with sufficient opportunity to pose questions during the general meeting and all the questions should receive a meaningful response.

<i>Note: The explanation of adoption of this practice should include a discussion on measures undertaken to ensure the general meeting is interactive, shareholders are provided with sufficient opportunity to pose questions and the questions are responded to.</i>	
Application :	Applied
Explanation on application of the practice :	<p>The Company presented its progress and performance of the Group's business as well as its long-term strategies at the 46th Annual General Meeting ("AGM").</p> <p>The shareholders were allowed to submit their questions and comments to the Board via email (from 11 May 2021) prior to the AGM or via the Remote Participation and Voting (RPV) facilities during live streaming of the AGM. Questions raised by the shareholders were adequately responded by the Chairman and the Senior Management before the commencement of the poll voting.</p> <p>In view that shareholders were allowed to submit questions commencing on 11 May 2021 (the notification of virtual AGM), they were given sufficient opportunity to pose their questions before and during the AGM. The Company had ensured that all the questions were answered. Questions received after the close of AGM were answered via emails.</p>

Intended Outcome

Shareholders are able to participate, engage the board and senior management effectively and make informed voting decisions at General Meetings.

Practice 13.5

The board must ensure that the conduct of a virtual general meeting (fully virtual or hybrid) support meaningful engagement between the board, senior management and shareholders. This includes having in place the required infrastructure and tools to support among others, a smooth broadcast of the general meeting and interactive participation by shareholders. Questions posed by shareholders should be made visible to all meeting participants during the meeting itself.

<i>Note: The explanation of adoption of this practice should include a discussion on measures undertaken to ensure the general meeting is interactive, shareholders are provided with sufficient opportunity to pose questions and the questions are responded to. Further, a listed issuer should also provide brief reasons on the choice of the meeting platform.</i>		
Application	:	Departure
Explanation on application of the practice	:	
Explanation for departure	:	<p>Due to the movement control order imposed by the Government, the 45th AGM was conducted virtually via live streaming and online remote voting on 19 May 2021 from the broadcast venue with restricted numbers of people in physical attendance to observe the requirements under Securities Commission Malaysia's Guidance Note on Conduct of General Meetings for Listed Issuers.</p> <p>However, the questions posed by shareholders were not made visible to all meeting participants during the meeting. As it was the Company's first live streaming meeting, Management sought to focus and answer questions only on relevant topics.</p> <p>The Chairman of the 45th AGM had encouraged shareholders to pose questions before each resolution was voted by using the question pane provided in the live-streaming platform. Questions and answers during the meeting were recorded and a summary of the key matter discussed were made available on the Company's website.</p>
