**TENDER PERIOD : From 29<sup>th</sup> Sept 2025 to 10<sup>th</sup> Oct 2025**

**COVER NOTE**

**TENDER EXPECTATION:**

Dear Sir/Madam,

We appreciate your interest in submitting a tender for our table calendars. To ensure the final product meets our quality expectations, we would like to outline some important specifications and standards.

In addition to the provided specifications, we expect the quoted price to reflect the use of appropriate paper quality, durable binding, and a neat, professional finish, as outlined in the specifications and your sample. It is important that the final product is free from any visible defects, such as misalignment in printing or binding, and that the pages are properly secured to ensure longevity. The calendar should stand well without any folding or bending issues and maintain its structure throughout regular use.

If selected, we kindly request open communication throughout the production process to address any concerns or adjustments promptly.

We also **require printing samples prior to full production** to ensure the final product aligns with our expectations. Please be advised that any printing that does not meet our quality standards will be returned.

We appreciate your collaboration and expect that vendors who submit their tenders will also play an active role in ensuring quality control throughout the process and meet our required delivery deadline. We look forward to working with a vendor who aligns with our values and quality expectations.

Thank you for your attention to these details.
